Equal Opportunity/NonDiscrimination Policy - It is the policy of Southeast Community College to provide equal opportunity and nondiscrimination in all admission, attendance, and employment matters to all persons without regard to race, color, religion, sex, age, marital status, national origin, ethnicity, veteran status, sexual orientation, disability, or other factors prohibited by law or College policy. Inquiries concerning the application of Southeast Community College's policies on equal opportunity and nondiscrimination should be directed to the Vice President for Access/Equity/Diversity, SCC Area Office, 301 S. 68th Street Place, Lincoln, NE 68510, 402-323-3412, FAX 402-323-3420, or jsoto@southeast.edu. This publication should not be considered a contract between SCC and any prospective student. SCC's Board of Governors reserves the right to make changes in this publication during the life of the publication and without notice.
A0703 - AGRI (08/20)

Agriculture is one of the most diverse industries in the world. It is because of this diversity that students like yourself enroll in SCC's Agriculture Management & Production program. You will gain hands-on education both inside and outside the classroom. We have a large array of students who pursue opportunities within the Agriculture Industry in marketing, insuring, and processing, as well as returning to manage family farming or ranching operations. Begin Your Path to Possible today!

Why SCC is the Right Choice

- Gain knowledge and skills through Cooperative and Internship experiences across the U.S. and abroad
- Small class sizes for more individual attention
- Dedicated instructors have been trained in the areas in which they teach
- You will receive personalized attention from faculty who care about your success, personally and professionally
- You will have 900 acres to experience authentic scenarios, including the birth of calves, scouting crops for insects and disease, and utilizing modern technologies in order to enhance your knowledge and skills
- Receive one-on-one advising from an experienced ag professional, helping you to meet your professional goals
- A Certificate in Precision Agriculture can easily be coupled with any of our focus areas and be completed within the degree time frame

"I loved how the College was so 'hands-on' and you weren't going to be stuck in a classroom. You get the real world experience at SCC. I loved my program and am so diversified in my agricultural knowledge and experience. I'm so glad I chose Southeast Community College as my home!"

*-Madison Yelken, Dec. 2020 graduate
Macon, NE*

Begin your Career or Transfer

- Approximately 80% of program graduates enter careers within the three focus areas; the other 20% transfer to four-year colleges and universities
- Our transfer pathway with Kansas State University allows students to earn an A.A.S. degree, then transfer to KSU to obtain a degree in Agricultural Education. Go to <https://go.k-state.edu/pathways> for more information.
- The two-plus-two program with Doane University in Agribusiness allows students the flexibility to graduate with their A.A.S., join the workforce but, continue their education online to obtain their bachelor's degree. Go to <https://www.doane.edu/transfer/southeast-community-college> to gain additional information.
