Equal Opportunity/NonDiscrimination Policy - It is the policy of Southeast Community College to provide equal opportunity and nondiscrimination in all admission, attendance, and employment matters to all persons without regard to race, color, religion, sex, age, marital status, national origin, ethnicity, veteran status, sexual orientation, disability, or other factors prohibited by law or College policy. Inquiries concerning the application of Southeast Community College's policies on equal opportunity and nondiscrimination should be directed to the Vice President for Access/Equity/Diversity, SCC Area Office, 301 S. 68th Street Place, Lincoln, NE 68510, 402-323-3412, FAX 402-323-3420, or jsoto@southeast.edu. This publication should not be considered a contract between SCC and any prospective student. SCC's Board of Governors reserves the right to make changes in this publication during the life of the publication and without notice.

A0705 - AHS (08/20)

With the ever-increasing need for healthcare professionals, we've designed the new Associate of Health Science Degree program in Health Sciences to serve two types of students.

The **General Studies pathway** is for students who plan to earn their degree in one of Southeast Community College's Health Sciences programs and will take required general studies courses before enrolling in their chosen program.

The **Transfer pathway** is for students who want to transfer their credits to a four-year institution to complete a bachelor's degree in a health sciences or pre-professional health program.

SCC is the Right Choice

- This degree is designed specifically for transferring credits toward a specific health profession program at SCC or toward a health-related program at another college or university.
- Possible pathways for students who complete supporting coursework include, but are not limited to:
 - Pre-Athletic Training
 - Pre-Audiology
 - Pre-Chiropractic
 - Pre-Dental (Assisting/ Hygiene/Dentistry)
 - Pre-Exercise Science
 - Pre-Medicine
 - Pre-Medical Laboratory Technician/Medical Laboratory Scientist*
 - Pre-Nursing*
 - Pre-Occupational Therapy
 - Pre-Optometry
 - Pre-Paramedic*
 - Pre-Pharmacy
 - Pre-Physical Therapy
 - Pre-Physical Therapist Assistant*
 - Pre-Physician Assistant
 - Pre-Radiologic Technology*
 - Pre-Respiratory Care*
 - Pre-Social Work/ Counseling
 - Pre-Surgical Technology*
 - Pre-Speech Therapy
 - Pre-Veterinarian/Vet Tech
- *Health Sciences programs offered at SCC
- Students in the General Studies pathway for an SCC program will have targeted and effective advising about pre-professional health academic programs and health sciences careers at SCC.
- Students who plan to transfer to another institution will have targeted and effective advising, but should work closely with their transfer institution for transfer requirements.
- You will have the opportunity to engage with other students preparing for health sciences professions.
- You can make the most of your time at SCC by taking your general education courses at a reasonable cost and research your future school or program.

Modern facilities

- SCC offers innovative spaces with the latest in equipment and technology in the new state-of-the-art Health Sciences building on the Lincoln Campus.
- The Milford Campus has a new, state-of-the-art simulation and healthcare lab.
- The Beatrice Campus and all six of SCC's Learning Centers in Falls City, Hebron, Nebraska City, Plattsmouth, York, and Wahoo have new health science spaces available.
