Equal Opportunity/NonDiscrimination Policy - It is the policy of Southeast Community College to provide equal opportunity and nondiscrimination in all admission, attendance, and employment matters to all persons without regard to race, color, religion, sex, age, marital status, national origin, ethnicity, veteran status, sexual orientation, disability, or other factors prohibited by law or College policy. Inquiries concerning the application of Southeast Community College's policies on equal opportunity and nondiscrimination should be directed to the Vice President for Access/Equity/Diversity, SCC Area Office, 301 S. 68th Street Place, Lincoln, NE 68510, 402-323-3412, FAX 402-323-3420, or jsoto@southeast.edu. This publication should not be considered a contract between SCC and any prospective student. SCC's Board of Governors reserves the right to make changes in this publication during the life of the publication and without notice.

A0709 - BSAD (08/20)

Do you want to play a key role in the success of an organization? Are you a natural leader who enjoys solving problems while keeping an eye on the future? If you're interested in business, our Associate of Applied Science degree in business can put you on the right path to a rewarding career. Our A.A.S. degree will give you a well-rounded education and skillset, and you can customize your electives in areas such as Marketing, Entrepreneurship, Event-Venue Operations, Economics, and/or general business.

Is your goal to transfer your business credits to a four-year institution? Our Associate of Arts degree in Accounting, Business or Business Communications will prepare you to do just that.

SCC is the Right Choice

- Learn from exceptional instructors who are experts in their field
- Take classes in a flexible manner either face-to-face or online
- Small classes for more individual attention
- You'll be introduced to practical business applications that will prepare you for the workplace through our engaged learning approach
- SCC's Entrepreneurship Center is a valuable resource to students who want to pursue starting their own business
- Students earn six credit hours in Microsoft Applications and Analytics, acquiring skills in those areas that employers expect
- You'll also have the opportunity to obtain your Microsoft Office Specialist certification

Get involved at SCC!

- There are several student organizations you can join, which is a great way to network and have fun at the same time. This also is a great opportunity to build your résumé and market your leadership and communication skills to employers!

Not sure where to start?

- The certificate and diploma options will give you a strong foundation of skills and knowledge to immediately put to work or to build upon as you continue your education.

The Associate of Applied Science degree is accredited by the Accreditation Council for Business Schools & Programs, 11520 W 119 St, Overland Park, KS 66213, (913) 339-9356, www.acbsp.org. The SCC Business Program was reaffirmed in 2013 for 10 years. Several instructors at SCC have received the ACBSP Teaching Excellence Award for Region 5.

This organization provides a standard for business schools and programs both nationally and internationally. Our program continuously works to maintain accreditation. We update and create new curriculum due to these accreditation standards, and this provides you with a high-quality program, exceptional classes and a superior learning experience.
