Do you get excited when businesses interact with their customers? Would you like to tell a story to help build a brand and successfully communicate information for internal and external customers? Earning your Associate of Arts degree in Business Communications from SCC gives you a chance to learn how to communicate effectively. You can choose to continue your education and work on a bachelor's degree immediately upon graduation, or you can choose to go into the workforce and get a job as a Communications Specialist, an Advertising Sales Agent, or in many other positions in the field of communications and business.

SCC is the Right Choice

- Program instructors have years of experience in the field and are well-connected to employers in the industry
- One-on-one advising to help you optimize your transfer options
- You'll receive a quality education at an affordable price
- Flexible class schedule, including face-to-face and online classes, to help you reach your goals.

"Getting your associate degree in Business Communications at SCC is a great way to start your path to completing your bachelor's degree at Concordia University, Nebraska. As a former instructor at SCC, I am confident the requirements of the SCC courses will prepare you for completing your bachelor's degree at Concordia. An associate degree through SCC is a first step to becoming a Concordia graduate and joining the Bulldog family. Go Bulldogs!"
