A0749 - LPNS (08/20)

SCC's Practical Nursing program will prepare you to become a valuable member of the healthcare team as you take care of citizens in the community you serve. Our program focuses on teaching how to provide safe and effective patient care, and we emphasize quality and flexibility within the program. The demand for skilled nurses is high, and the Bureau of Labor Statistics expects job opportunities for Licensed Practical Nurses to grow by 11% through 2028.

SCC is the Right Choice

- New lab spaces and simulation centers provide a high-quality education
- Excellent clinical partners will provide you with real-life experiences, including pediatrics, school settings, critical-care access, medical-surgical, and clinic
- First-time SCC graduate pass rates on the National Council Licensure Examination Practical Nurse (NCLEX-PN®) have consistently scored above the national average
- Students will practice all skills with mannequins and peers in the lab or simulations prior to working with real-life patients
- Passionate instructors are involved throughout your journey
- SCC offers many resources to support students in achieving their goals

Please see the program's website for information related to topics that include, but are not limited to, accreditation, state licensure or certification requirements, and other disclosures. SCC strives to promote transparency and encourages students to review the information carefully.

This program is accredited by the Accreditation Commission for Education in Nursing, 3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326, www.acenursing.org, 404-975-5000, and approved by the Nebraska Board of Nursing.
