

PROFESSIONAL TRUCK DRIVER TRAINING

Milford Campus

www.southeast.edu/TruckDriver

The demand for skilled drivers all across the United States is high. The trucking industry is in need of drivers for over-the-road, regional and local, so if you enjoy being on the road, why not get paid for it? Our Professional Truck Driver Training program has a fleet of tractors and trailers that will provide you with lots of hands-on experience. You'll practice with Peterbilt, Kenworth, Freightliner, Volvo, Mack, and Sterling tractors with Detroit Diesel, Caterpillar, Mack, and Mercedes Benz engines. Transmissions used include 9-speed, 10-speed, Super 10, 13-speed, and Automatic models.

SCC is the Right Choice

Our eight-week program is now on the Milford Campus.

- Choose to enroll in fall, spring or summer terms
- The program offers both a face-to-face and a hybrid option where all classroom learning is completed online and driving takes place three days a week during the 8-week session.
- Our program costs just under \$1,500, and Gap Tuition Assistance is available at www.southeast.edu/gaptuitionassistance
- Classroom instruction is supplemented by driving on city streets and rural roads, two-lane and interstate highways, as well as backing on our large concrete concourse.

"Ever since I was little, I wanted to drive a truck. SCC made that dream come true. With all the instructor guidance and practice, I am living my dream. With this training you are set up for a successful career right out of the gate. I got hired by Crete Carrier and completed eight weeks of training and have been successful at trucking ever since. This is the best trucking program that is reasonably priced. Thank you SCC for starting me down my path of success."
