Turn your love of working on vehicles into a rewarding career and join SCC’s Ford ASSET program. Ford ASSET is recognized as the premier program in the global automotive industry for the training and placement of new manufacturer-specific service technicians.

This program is a partnership between Southeast Community College and Ford and its dealerships, designed to prepare you as a highly qualified entry-level technician at a Ford dealership after you graduate. This alliance was created so that a new generation of service technicians would be available.

**SCC is the Right Choice**

- SCC’s program is the only Ford ASSET school in Nebraska and the first one east of the state of Washington.
- Automotive Service Excellence (ASE) offers SCC students who complete the A.A.S. degree credit for one year of the two-year requirement to become an ASE certified technician.
- Have peace of mind knowing that you’ve secured employment before starting the program.
- SCC has an outstanding reputation. Rewarding job opportunities are available nationwide for students who have the skills and desire to work.

**More about the program**

- Students who apply to the program will need to secure a dealership sponsor prior to enrolling in the dealer-specific courses. SCC staff can assist in providing dealership contact information.
- Two eight-week Cooperative Experience courses allow you to apply what you’ve learned on campus in a working shop environment at a dealership.
- This earn-as-you-learn opportunity provides you with factory-training credentials which can open the door for you at dealerships across the nation.
- You will receive hands-on experience using special factory tools while working on vehicles donated by the manufacturer.
- SCC students receive a discount on tools from tool vendors who come donated by the manufacturer.
- You can turn your A.A.S. degree into a bachelor’s degree if additional education is your goal.

**Career Options**

- Entry-level technician in a Ford or Lincoln dealership.

**Recent Graduates**

Recent graduates report a yearly average starting salary of $33,592.

**Education Foundation**

This program is accredited by the ASE Education Foundation, 1503 Edwards Ferry Rd., NE, Ste. 401, Leesburg, VA 20176, 703-669-6650, www.aseed.org
