*CHOOSE YOU!*

The Law Enforcement & Homeland Security program is designed to prepare students to serve the community as an entry-level law enforcement officer or in a position within a government agency.

You will receive an overview of the criminal justice system while also focusing on elements of criminal investigations, crisis management, communications, criminal law and procedures, and reporting techniques.

You will study intelligence analysis, threat assessment and infrastructure security. Receive hands-on lab exercises in processing crime scenes and forensics, emergency management protocols and table-top exercises used to prepare for all types of situations.

*"Joining the Law Enforcement and Homeland Security program has been one of the best choices I have made in my career! The SCC criminal justice team not only offers amazing programs, it also provides students with professional, experienced instructors who are motivated to guide students on the right path!"*

- Ashley Landeros, Graduate

## SCC is the Right Choice

- Learn from instructors who have extensive education and experience in law enforcement, corrections, juvenile justice, probation, military, prosecution and defense litigation, crime scene investigation, homeland security, and private security.
- After earning your Associate of Applied Science degree, you'll be able to join the workforce immediately and perform basic duties and tasks associated with entry-level positions in law enforcement and homeland security agencies.
- This program is offered face-to-face and/or online, giving you the flexibility you need to achieve your goals!
