YOUR FUTURE. YOUR CHOICE.

www.southeast.edu/MedicalAssisting

CHOOSE YOU!

STEM

Our Medical Assisting program prepares you to work in physician offices. Some of the many skills you will learn are: taking vital signs, height and weight, drawing blood, testing blood and urine, throat and nasal swabs, injections, electrocardiograms, vision and hearing screenings, infant measurements, and assisting with minor surgeries.

You also will learn many of the skills needed at the front of the physician office such as checking in patients, making appointments and referrals, bookkeeping, and insurance and coding.

Our graduates go to work in the following physical offices: family practice, allergy and asthma, cardiology, dermatology, ENT, endocrinology, internal medicine, oncology, pediatric, podiatry, OB-GYN, ophthalmology, optometry, pulmonology, urgent care, and urology.

SCC is the Right Choice

- Our program will prepare you to become a competent entry-level medical assistant in the cognitive (knowledge), psychomotor (skills) and affective (behavior) learning domains.
- Enjoy flexibility by attending full- or part-time to meet your scheduling needs.
- Complete 225 hours of supervised practicum experience in physician offices during the final term.
- You'll take the Certified Medical Assistant (AAMA) Certification Exam prior to graduating.
- An optional course is offered to help students obtain a Limited Radiographer License in Nebraska. Those students may then be able to take X-rays of the chest and extremities in a doctor's office.

» Career Options

- Certified Medical Assistant in Family Health Centers, Medical Clinic, Ophthalmology, Urgent Care, Internal Medicine, Pediatrics, Orthodontics, Endocrinology, and Primary Care
