## SCC is the Right Choice

- You will join other health care professions in our new state-of-the-art Health Sciences Facility.
- We offer modern, open lab spaces with the latest in equipment and technology.
- After successfully completing the program, you will be eligible to take the National Physical Therapy Examination (NPTE) for the Physical Therapist Assistant.
- If you pass the NPTE, you may be licensed/certified in any state.

*"I picked Southeast Community College initially because of location and the affordable price. As I entered the program I appreciated the contrast of the excellent professors balanced with guest lecturers who taught on specialty subjects. SCC did a great job of pushing me to learn all the topics necessary to pass my board exam, along with preparing me to apply for a job in any physical therapy field. I would highly recommend anyone to pursue their PTA degree at Southeast Community College."*
