

CHOOSE YOU!

STEM

The Technical Skills Instructor program is a 2+2 program for students interested in obtaining a teaching certification to teach Skills and Technical Sciences to students in grades 7-12 in Nebraska secondary schools.

The Technical Skills Instructor program is a partnership between Southeast Community College and the University of Nebraska-Lincoln Department of Agricultural Leadership, Education and Communication. Students will complete the first two years at SCC and then transfer to UNL, building on the strengths of each institution.

Technical requirements for your teaching endorsement will be completed at SCC, and teacher education courses will be taken at UNL. This is an exciting collaboration that helps students meet their goals!

SCC is the Right Choice

- Earn an Associate of Occupational Studies degree before transferring to UNL.
- Once you complete the 60 credit-hour requirement from SCC and the 60 credit-hour requirement Teaching Option at UNL, you will earn a Bachelor of Science degree in Agricultural Education from UNL.
- You'll be more marketable after gaining experience using today's technologies and will be more prepared to teach skills and technical sciences to new generations of students.
- The job outlook is positive as the Nebraska Department of Education projects 15 to 20 openings for teachers every year for the next 7-10 years.

Technical areas include:

- Architecture and Construction with drafting and carpentry
- Manufacturing with welding, machine tool and basic woods
- Science, Technology, Engineering, and Mathematics with engineering design, drafting and electronics
- Transportation, Distribution and Logistics with small engine and automotive maintenance

» Career Options

- Industrial Technology Teacher
- Secondary Engineering & Technology Teacher
- Skilled & Technical Sciences/Ag Teacher

This is a transfer program. Students must complete their AOS degree, transfer to a four-year school, complete a bachelor's degree, and earn a teaching certificate.

Credit hours required for graduation:

Technical Skills Instructor
