NEW! Great American Eclipse

A solar eclipse will occur on Aug. 21, 2017, with much of Nebraska being in the path of the total eclipse. This naturally occurring phenomenon occurs only once in a lifetime so you don't want to miss it. Members of the Omaha Astronomy Club will join SCC learners across the service area, using distance technology, and help you understand how the solar system works, what is happening during the eclipse and what you can expect to see. You also will learn about safety precautions to follow when viewing the eclipse.
