Find Your Path to Possible

Explore our wide variety of hands-on programs and career pathways.
2020-21 Pathways

- Arts & Sciences
- Computer Technology
- Business & Culinary
- Agriculture
- Construction
- Public Services
- Manufacturing
- Healthcare
- Transportation
For decades, SCC has connected learners of all walks of life to the careers they were meant to lead. Through an outstanding variety of career and technical, academic transfer, and continuing education programs, you have the freedom to pursue your calling. We pride ourselves on hands-on learning so you graduate knowing your stuff and practicing it, too.

An SCC education doesn’t close doors—it opens them. Come find Your Path to Possible.
Maximize Your Moment

At SCC, you’ll have no limit to the career path you wish to make for yourself or the one you’ve yet to discover.

Make the most of your college choice by picking the school that won’t put any limitations on what you learn, when you want to learn it and, even, where you want to learn from.

• **With a wide array of academic programs, you won’t be hurting for options.** You can study everything from agriculture to culinary arts to healthcare to auto repair. We prepare today’s students for tomorrow’s jobs by teaching you the specific skills employers want.

• **Our education fits into your life, not the other way around.** Getting a college education shouldn’t mean putting your life on hold. At SCC, you’ll always have a clear roadmap of what classes to take, when they’re available, and why they add value.

• **We make sure your location doesn’t limit your learning.** Learn at our Beatrice, Lincoln, and Milford Campuses, our downtown Lincoln location (Education Square), or take classes from afar. You can attend campus classes through an SCC robot from our learning centers in Falls City, Hebron, Nebraska City, Plattsmouth, Wahoo, and York, or take our online courses available to anyone, anytime, anywhere.
Graduate & Prosper

SCC is just the beginning. We train our students to make an immediate impact in their life’s work, as evidenced by our Class of 2019.

94 PERCENT EMPLOYED OR CONTINUING EDUCATION.

89 PERCENT WORKING IN THEIR FIELD OF STUDY.

90 PERCENT WORKING IN NEBRASKA.

Data from 2019 Graduate Report, produced by SCC Office of Institutional Research.

“SCC has a long history of ensuring that employers have access to qualified graduates who have the skills needed for successful and productive employment. SCC continually seeks to align its programs with the specific needs and requirements of employers and transfer institutions. We are committed to meeting the educational needs of our students, employers, and the community.”

—Paul Illich, SCC President
**Achievable, Affordable, About You**

We provide an academic environment where you can find success, scholarships, and satisfaction.

We believe it’s our job to put students in the position to succeed, and we spare no expense in making it happen.

- We offer **60 programs** in nine different career paths, giving students dozens of ways to realize their potential and earn a living.
- On top of federal and state financial aid, SCC gave out more than **$2.8 million in scholarships** last year to help make a college education possible for thousands of students.
- High school students living in our 15-county service area can take advantage of a **50% discount** on dual-credit and Southeast Nebraska Career Academy Partnership (SENCAP) classes.
- You’ll never be a number here. Our **12:1 student-to-faculty ratio** gives you access to and the attention of faculty who care about preparing you for your future in the workforce.

**2020–21 Tuition & Fees**

Save money and time with a low-cost, high-reward college education.

Support & Advising

Even if you’re venturing out on your own for the first time, you don’t have to face college alone. At SCC, you have a team of dedicated staff to support you no matter what. Whether you want help choosing classes, career guidance or just someone to talk to, we have your back.

Academic & Career Advising

Every SCC student gets two advisors who stick with them through their entire time at SCC. Assigning two advisors to each admitted student is a brand new initiative, and we are thrilled to offer this level of support to all students. One advisor is a College Advisor and the other is a Program Advisor. Each provides insight and guidance to ensure you get the most out of your SCC experience.

Mental Health Resources

Through the Counseling Assistance Program for Students (CAPS), all SCC students can access free counseling and support groups. College—and life—can be difficult, especially in unusual times, and we work hard to give students every opportunity to receive mental health support so they can thrive on their path to possible.

College Advisor

- Clarifies and confirms your academic path and career choice.
- Advises you through New Student Enrollment, your first semester and subsequent terms as needed.
- Serves as an ongoing success coach.

Program Advisor

- Provides detailed advising for your specific area of study.
- Offers expert mentoring as you explore career options.
- Guides class schedule creation.
Cutting-Edge Campuses

We see it as our responsibility to educate the workforce that will take care of our state for years to come. That’s why we have facilities capable of transforming learning for the future.

New Spaces

After an extensive remodel, the Kennedy Center is now a one-stop welcome for students with easy access to Student Affairs (including Admissions, Financial Aid, Registration, and Advising) as well as the Business Office, testing center, campus safety and security, continuing education and campus administration. Additionally, new study spaces and lounge areas are available to students in the Center.

A new Storm Center Dining Hall with a number of food service options now serves the campus community.

Opening This Fall

A brand new, 60,000 square foot Academic Excellence Center will be ready for students this fall. All academic programs will have space in this facility for classrooms, labs, events and meetings. Additional, newly remodeled agriculture classroom spaces will be ready for class this fall.

Discover SCC

Get a look at our innovative facilities and programs by paying a visit to our campuses. Whether you visit in-person or virtually, we’re here to answer your questions and help you find your path to possible at SCC.

› Discover SCC’s campuses at southeast.edu/visitscc.
New Spaces

The Great Plains Culinary Institute and its high-end Course Restaurant are impressive spaces on the Lincoln Campus. The $4.2 million revamp of the Culinary/Hospitality program includes the full-service restaurant, new classrooms, labs, and a bakery.

The Career Academy (TCA) is a joint venture between Lincoln Public Schools and SCC showing high school juniors and seniors routes to 16 different career pathways. Expert instructors at TCA stretch the students' learning while more than 150 business and industry professionals provide real-world connections.

On The Horizon

The upcoming Health Sciences facility is a stunning, 81,909-square foot addition to the SCC healthcare programs. It includes 14 state-of-the-art health science labs and classrooms that simulate a real-life medical center. The facility will open in January 2021 and will increase collaboration, innovation and excellence in learning for health sciences students.

New Spaces

The Crete Carrier Diesel Technology & Welding Center houses the diesel programs and welding classes in a 60,000-square foot space. The facility creates new capacity to help SCC meet industry demand and train students in emerging technologies as part of their studies in the Diesel Technology-Truck and Diesel-Ag Equipment Service Technology programs.

On The Horizon

Meadow Hall will be the Milford Campus’s fourth residence hall with room for 152 students. It will be ready for students in the Fall 2021 semester with a suite-style layout similar to Prairie Hall.
Home Away From Home

In SCC’s brand new residence halls, discover your independence, meet lifelong friends and stay within walking distance of all your classes and campus resources. When class ends, you’re just around the corner from study spaces, the cafeteria and your room. The SCC residence halls offer freedom and convenience for you to live your best college life.

**Beatrice**

**Homestead Hall** is a new three-story coed residence hall that houses 149 students. Each room has a kitchenette, plus internet and TV service. Outside the rooms, study and lounge areas as well as laundry facilities and a community kitchen are available to hall residents. Single and double bedroom options are available.

**Eisenhower, Roosevelt and Washington Halls** are each apartment-style residence halls that can accommodate two to four residents per apartment. Each unit includes a kitchen, living space, two bathrooms and two double bedrooms.

**Milford**

**Prairie Hall**, like Homestead Hall in Beatrice, is a new three-story coed residence hall. It can also house 149 students and offers kitchenettes in each room, internet and TV service, study and lounge areas, laundry facilities, and a community kitchen. Single and double bedroom options are available.

**Pioneer Complex** offers apartment-style living for up to four people per unit. Each apartment includes a kitchen, living space, a bathroom and two double bedrooms.
Secure, Safe, Healthy Living

SCC is a place for you to choose your path and choose your future. It’s our responsibility to provide a secure, safe environment for you to pursue your path successfully. And we hold that responsibility in the highest regard. Both now—in these unique times—and beyond, SCC’s top priority is your safety, health and wellness.

Campus Security

Each SCC campus offers multiple resources to keep all students safe and protected. Campus buildings require student key card access and all campuses are monitored with security cameras and public safety officers. SCC also offers trusted escorts if you are concerned about walking to your vehicle in the evening as well as an emergency messaging service to keep you informed of any emergency situations on campus.

Health & Safety

As the COVID-19 pandemic continues and changes, SCC is adhering to all Directed Health Measures and preparing for additional restrictions as needed to mitigate the risk of spread on campus. You can find comprehensive coverage of SCC’s current protocols at southeast.edu.

Through the pandemic and beyond, SCC maintains highly sanitized, clean campus buildings as well as accessible health resources.
Enrich Your Experience

At SCC, we are invested in providing you a complete college experience that sets you up for success and gives you lifelong memories. Build your leadership, confidence and expand your horizons during your schooling by participating in student activities at each of our three campuses.

Find Your Place

Just because we’re often seen as a technical school doesn’t mean we trade in extracurriculars. Add to your classroom experience by participating in student activities at each of our three campuses or compete in SCC Athletics at the Beatrice Campus.

**Build Friendship & Leadership**

The ways you learn and grow in college start in the classroom, but extend far beyond. Some of the most valuable, formative college moments are in between classes and studying when you can build friendships and gain new perspectives from those around you.

Our Student Life and Residence Life staffs work hard to create opportunities for you to connect with others and grow your leadership. We often have game nights, movie nights, speakers, educational programming, pool tournaments, basketball tournaments, late-night breakfasts during finals and more fun activities. We also have chances for you to get involved in planning activities for your fellow students.

**Join the Storm**

SCC Athletics call the Beatrice Campus home. The Storm compete in five men's sports and five women's sports in the National Junior College Athletic Association.

Choose Your Path to Possible

We have dozens of ways to make a living with lifelong satisfaction. What will yours be?
The Academic Transfer program helps you earn an Associate of Arts or Associate of Science degree by completing up to 60 semester hours of general education credit, or you can take specific courses that transfer to a four-year institution for your intended major.

Getting Started

SCC’s Academic Transfer program is a perfect starting point, whether you plan to transfer just a few credits or the equivalent of two full years to a four-year institution. To make the most of your time at SCC, make sure you do homework about the future school or program you want to enroll in.

Where do you plan to transfer?

Understanding the varying course requirements of your desired four-year institution(s) will save you time and money. Research colleges and universities for details about:

• Your intended major and any prerequisite courses you can take at SCC.
• A limit on how many credit hours you can transfer.
• The admissions requirements of the institution(s) and any additional admissions requirements for your desired major.
• Application deadlines, fees, and enrollment deposits.
• Tuition and fees.
• Financial assistance and scholarships.
• On-campus resources and services for transfer students.

Degrees

The **Associate of Arts** degree is designed for students who plan to transfer to a four-year college or university to pursue a bachelor’s degree in fields such as business, education, humanities, social science, or social work.

The **Associate of Science** degree is designed for students who plan to transfer to a four-year college or university to pursue a bachelor’s degree in fields such as agriculture, engineering, science or mathematics.

**Academic Transfer Subject Areas**

- Agriculture
- Art
- Biology
- Biotechnology
- Business
- Criminal Justice
- Education

- English
- Geography
- Humanities
- History
- Journalism
- Language Studies
- Mathematics

- Music
- Photography
- Physical Science

Almost every field—health, education, business, transportation and manufacturing—relies on computers and the people who make them work. Successfully complete this program to start a rewarding career in Information Technology (IT) or cybersecurity with career opportunities available in every area of the economy.

You’ll design and code software applications on different computer platforms (PC, web, mainframe, and mobile); learn to code Java and C# applications for PCs; develop basic iOS and Android apps for mobile devices; work behind the scenes developing web sites using JavaScript, PHP, ASP, JSP, and SQL; and learn how to provide help desk support. If you’re interested in cybersecurity, you’ll explore security practices, cyber defense techniques, and digital forensics related to the protection of today’s networks and critical information systems.

### Focus Areas
- Application Development
- Cybersecurity
- Network Management
- Computer Support

### Recent graduates hired as:
- Application Developer
- Business Installation Technician
- Business Systems Analyst
- Communications/Network Engineer
- Desktop Support Technician
- Developer
- Instructor
- IT Applications Developer
- IT Database Analyst
- IT Infrastructure Support Technician
- Network Operations Engineer
- Placement Engineer
- Programmer
- Project Manager
- Software Developer
- Software Engineer
- Support Desk Engineer
- System Application Specialist
- Systems Engineer
- Systems Analyst
- Technical Support Representative
- Web Developer

Geographic Information Systems careers are available in almost every field and are often found in government agencies, businesses, schools, and private organizations. GIS technicians produce, read, and use maps to manage communities and industries. They work with digital land data, manage databases, and design and prepare data using GIS hardware and software applications.

### Recent graduates hired as:
- GIS Technician
- Design Assistant
- Field Geologist
- Technician

If you have an artistic mind and enjoy solving problems, this is the program for you. Graphic design uses fonts and images to convey a message to a specific audience, and graphic designers create visuals that inform the viewer and influence their behavior. There are many fields for graphic design jobs, including art and design, advertising, marketing, print, and interactive design.

### Recent graduates hired as:
- Front-End Web Developer
- Graphic Designer
- Interactive Designer
Computer Technology

- Computer-savvy students look no further. Start your career in IT, GIS, or graphic design here.

**Program location(s) | Online availability | Program length | Program award | Graduates’ average starting wage**
If you want a career in agriculture, check out our hands-on program! Our agriculture center has amazing resources where you can get real experience applying what you learn in the classroom. You will gain technical skills and knowledge in agriculture business, land use, crop farming, animal care, and food science. You’ll be able to personalize your degree with a focus that reflects your interests.

Agribusiness arms you with the skills for a career in the processing, distribution, and support of farm-related products. If crops and soils are your interest, choose Agronomy. Diversified Agriculture will give you a well-rounded education with classes in several areas, preparing you to manage many related businesses.

Focus Areas
- Agribusiness
- Agronomy
- Diversified Agriculture

Recent graduates hired as:
- Agronomist
- Application Operator
- Assistant Cattle Manager
- Assistant Superintendent
- Course Maintenance
- Elevator Operator
- Farm Assistant
- Farm Manager
- Farm/Ranch Hand
- Farmer
- Feed Mill Operator
- Field Marketer
- Landscaping Foreman
- Herdsman
- Herdsman/Farrowing Technician
- Mill Department Worker
- Owner/Operator
- Ranch Assistant/Ranch Hand
- Ranch Manager
- Sales Agronomist

The Horticulture & Turfgrass Management program prepares you for a host of career opportunities, from landscape design and construction to greenhouse management to athletic field and golf course maintenance. Combine classroom theory with hands-on experience around the Beatrice Campus, including two golf course holes, and pursue a cooperative experience at a golf course, landscape company, greenhouse, and more. This degree will teach you the expertise behind landscape design and construction, greenhouses, and nurseries as well as maintaining turfgrass areas on golf courses, athletic fields, and other commercial and non-commercial turf areas.

Our students have found great success in the classroom and after graduation, winning the 2018 North American Colleges and Teachers of Agriculture Horticulture Competition. Our students are National Champions and technically trained future leaders in the industry.

Focus Areas
- Golf and Sports Turf Management
- Horticulture

Types of jobs available:
- Golf Course Assistant
- Golf Course Spray Tech
- Golf Course Irrigation Tech
- Sports Field Manager
- Landscape Construction
- Landscape Installation
- Landscape Maintenance
- Landscape Sales
- Florist
- Fertilizer Technician
- Greenhouse Grower
- Groundskeeper
- Equipment Salesperson
- Research Technician
- Commercial Pesticide Applicator
- Conservationist

*Salary is based on the 10th percentile earnings for SCC’s 15-county area. (EMSI data; www.economicmodeling.com)
Learn how to make a living in the field and beyond exclusively at our Beatrice Campus.

Livestock managers are responsible for running the business of livestock on farms or ranches. They must keep accurate financial records, supervise workers, and ensure proper care. They make sure that the goods from animals are produced safely, efficiently, and profitably by monitoring what the livestock is fed, keeping the animals healthy, and ensuring overall cleanliness of animals and facilities.

Types of jobs available:
- Livestock Genetics Salesperson
- Swine Production Technician
- Feedlot Technician
- Animal Health Sales
- Veterinary Assistant
- Artificial Insemination Technician
- Research Technician
- Livestock Production Specialist
- Conservationist

With this certificate, you can install, set up, operate, analyze, and troubleshoot the systems needed to help feed the world. Precision agriculture is site-specific farming in a way that lowers input costs and maximizes yield potential through the use of data: GPS guidance, drones, variable rate application, GPS-based soil testing, satellite imagery, crop health analysis, yield monitoring, and prescription-based applications. According to Global Market Insights, precision-farming technologies are projected to become a $10 billion industry by 2024. Our students get to learn using the real technologies in this field, as well as a basic understanding of hydraulic and electronic systems applied in these practices.

Recent graduates hired as:
- Ag Aviation Ground Crew
- Bulldozer Operator
- Crop Consultant
- Custom Applicator
- Farm Assistant Manager
- Research Technician
Building Construction Technology

- Milford
- 1–4 terms
- Associate of Applied Science, Certificate
- $17.05/hour

This program gives you the foundation for any career in the building construction industry. After learning and practicing building skills, you’ll finish your studies by using everything you’ve learned to build an actual home with fellow students. You can join our award-winning National Association of Home Builders student chapter and the Associated General Contractors student chapter.

Focus Area
- Carpentry & Cabinet Making Construction (Certificate)

Recent graduates hired as:
- Carpenter
- Construction Laborer
- Construction Owner
- Framer

Design & Drafting Technology

- Lincoln (Campus)
- 1–4 terms
- Associate of Applied Science, Diploma, Certificate
- $17.20/hour

Architectural design is the creation of construction documents for residential and commercial structures through the use of building information modeling (BIM) designs. Computer-aided design and drafting (CADD) is communication through the use of graphic representation and creation of 3D designs. Our program combines drafting and design to give students several options in their careers.

Focus Areas
- Associate of Applied Science
  - Architectural Design
  - Computer-Aided Design and Drafting (CADD)
- Diploma
  - Architectural Design
  - Mechanical/Electrical Design
  - Residential Design
  - Structural Design

Recent graduates hired as:
- Assistant CADD Technician
- Drafter
- Designer
- Electrical BIM Technician
- Electrical Designer
- Construction Technician
- Skilled Laborer
- Framer

Heating, Ventilation, Air Conditioning & Refrigeration Technology

- Milford
- 4 terms
- Associate of Applied Science
- $18.00/hour

With the high demand for well-trained HVAC technicians nationwide, become the go-to expert in solving heating and cooling issues. Professionals in the HVAC/R industry design, build, install, service, maintain, troubleshoot, and repair heating and cooling systems year-round. Students may focus on the installation and maintenance of residential, commercial, or industrial heating or ventilation; air conditioning; hydronic heating systems; or refrigeration equipment.

Recent graduates hired as:
- Apprentice Steamfitter
- Apprentice Technician
- HVAC Technician
- Service Technician

Plumbing Technology

- Milford
- 2 terms
- Diploma
- $13.28/hour

As a plumber, you will work in both commercial and residential settings to repair, install, and maintain plumbing fixtures and systems for drainage, heating, drinking, venting, and sewage. A large part of the job involves the ability to work with building blueprints to assess layouts of plumbing systems and the water supply.

Types of jobs available:
- Installation of plumbing and heating systems in new buildings
- Installation and maintenance of plumbing, heating, and piping systems for industries, public utilities, or government agencies
- Self-employment

*Salary is based on the 10th percentile earnings for SCC’s 15-county area. (EMSI data; www.economicmodeling.com)
Learn the ins and outs of constructing, engineering, heating and cooling, plumbing, designing, and surveying properties.

Technical Skills Instructor

- Lincoln (Campus), Milford
- 4 terms
- Associate of Occupational Studies
- New program. Salary data unavailable.

Those wishing to teach future generations of high school students are a fit for the Technical Skills Instructor program. It’s designed specifically for those who want to combine industry training with skills and technical science courses to earn a degree in occupational studies. Each focus can be tailored to meet those needs. Students who complete this program can transfer to the University of Nebraska–Lincoln to complete requirements for a secondary teaching endorsement.

Focus Areas
- Architecture and Construction
- Manufacturing
- Science, Technology, Engineering, and Mathematics (STEM)
- Transportation, Distribution, and Logistics

Recent graduates hired as:
- Industrial Technology Teacher
- Secondary Engineering & Technology Teacher
- Skilled & Technical Sciences/Ag Teacher

Land Surveying/GIS/Civil Engineering Technology

- Milford
- 4 terms
- Associate of Applied Science
- $17.20/hour

SCC has the only land surveying program in Nebraska, and its hands-on coursework will prepare you to become a land surveying technician, civil CAD drafter, or construction materials inspector. Technicians survey the construction of streets, dams, bridges, highways, airports, and parks, as well as survey boundary locations of sub-divisions and private and commercial property. You’ll learn GPS and GIS technology. During the program, you’ll be employed on the job in a cooperative experience performing land surveying, drafting, or materials testing/inspection with cooperative education employers throughout Nebraska and surrounding states.

Recent graduates hired as:
- Survey Assistant
- Survey Technician
- Surveyor
**Adult & Juvenile Services and Corrections**

- **Lincoln (Education Square)**
- **100%-online option available**
- **4 terms**
- **Associate of Applied Science**
- **$16.40/hour**

Start your career in corrections at SCC. Learn what it takes to work in community-based correctional services, institutional corrections, secure mental health facilities, and juvenile justice agencies. This program teaches you the skills and expertise to work with a wide variety of clients in a community-based corrections setting and inmates in an institutional setting.

**Types of jobs available:**
- Assistant Probation Officer
- Child Protection Officer
- Compliance Officer
- Corrections Officer
- Drug Court Technician
- Electronic Monitoring Officer
- Inmate Classification Officer
- Juvenile Corrections Counselor
- Juvenile Detention Officer
- Juvenile Diversion Officer
- Juvenile Parole Officer

**Criminal Justice**

- **Beatrice, Lincoln (Education Square)**
- **100%-online option available**
- **4 terms**
- **Associate of Applied Science, Associate of Arts**
- **$16.40/hour**

If you’re interested in the fascinating world of law enforcement, this program will equip you with the skills necessary to start your career in criminal justice or corrections. The program focuses on teaching you to perform the basic duties and tasks associated with entry-level positions.

**Recent graduates hired as:**
- Corporal
- Correctional Officer
- Criminal Justice Advocate
- Officer
- Patrol Officer
- Police Officer Recruit
- Relief Specialist
- Security Officer
- Security Specialist

**Human Services**

- **Lincoln (Campus)**
- **1–4 terms**
- **Associate of Applied Science, Certificate**
- **$13.35/hour**

Social and human service assistants help people through difficult times or find additional support. They collaborate with other professionals, such as social workers, while also assisting their clients as they search for benefits or community services. This degree program will prepare you to serve others in a variety of capacities, including mental health, developmental disabilities, alcohol and drug counseling, nursing home and assisted living facilities, and many areas related to youth. Practicum placement for students in the program is available in a variety of communities.

**Recent graduates hired as:**
- Activities Aide
- Alcohol and Drug Counselor
- Case Manager
- Chemical Dependency Counselor
- Community Support Professional
- Counselor I
- Mental Health Security Specialist
- Technician
- Teen Specialist

**Law Enforcement & Homeland Security**

- **Beatrice, Lincoln (Education Square)**
- **100%-online option available**
- **4 terms**
- **Associate of Applied Science**
- **$16.40/hour**

The Law Enforcement and Homeland Security program is designed to support the continued professional growth of in-service practitioners through the enhancement of field-specific knowledge. The program provides students educational and internship experiences that enable them to succeed in entry-level positions or advance in their criminal justice career. The program provides an overview of the criminal justice system while also focusing on elements of supervision, risk assessment, conflict resolution, communications, and reporting techniques.

**Types of jobs available:**
- Animal Plant and Health Inspection Service
- Border Patrol Agent
- Coast Guard
- Crime Statistics Analyst
- Criminal Investigator
- Deportation and Detention Officer
- Deportation Officer
- Emergency Management Specialist
- FEMA Specialist
- Immigration and Customs Agent
- K-9 Officer
- Police Officer
- Private Security Officer
- Railroad Police
- Security Analyst
- TSA Specialist

*New Program. Salary is from Criminal Justice graduates.*
Serve the greater good by filling a critical need for the community and public at-large.

Early Childhood Education

- Lincoln (Campus)
- Some courses online
- 1–4 terms
- Associate of Applied Science, Associate of Arts, Diploma, Certificate
- $12.40/hour

If you enjoy working with children, this program will provide you with the necessary skills to teach children and strengthen families in various early care and education positions. Designed for individuals interested in working directly with children from birth to age 8, the courses prepare you to understand child development, developmentally appropriate curriculum, and methods for supporting a child’s learning.

Recent graduates hired as:

- Assistant Preschool Teacher
- Child Care Center Assistant
- Teacher/Owner
- Infant Teacher
- Lead Teacher
- Library Aid
- Owner
- Para-educator
- Preschool Co-Teacher
- Preschool Lead Teacher
- Teacher
- Teacher Assistant
- Toddler Specialist
Electrical &
Electromechanical
Technology

- Milford
- 4 terms
- Associate of Applied Science, Construction Electrician Certificate
- $23/hour

Start your career as a skilled electrician. Understand how to work in residential, commercial, and industrial construction while learning about robotics, programmable controllers, and automated systems. If you're interested in repairing machinery, hydraulics, welding, and fabrication along with the fundamentals for electrical design, installation, and equipment maintenance, the Electromechanical Systems focus is for you.

We emphasize hands-on learning so you can practice what you learn in the classroom and develop critical thinking. Expect to spend about half of your time in lab settings.

Focus Areas
- Electrical Systems
- Electromechanical Systems
- Automation Systems

Recent graduates hired as:
- Apprentice Electrician
- Electrical Controls Technician
- Electromechanical Technician
- Installation Technician
- Maintenance Mechanic
- Maintenance Technician
- Service Technician
- Shop Fabrication

Electronic Systems
Technology

- Lincoln (Campus)
- 4 terms
- Associate of Applied Science
- $20.45/hour

Prepare yourself for an array of career opportunities, including industrial and personal networking, robotics, automation systems, avionics, biomedical, communications, and many other commercial electronic systems and non-commercial personal systems. Approximately half of the training will take place in a laboratory setting where students will apply the classroom theory. A degree in Electronic Systems Technology can open a variety of exciting, steady, and lifelong career opportunities with great salaries and benefits! Become part of this excellent career field that everyone depends on every day.

Focus Areas
- Cisco Networking/Security
- Robotics and Automation

Recent graduates hired as:
- Application Specialist
- Electrical Maintenance
- Electronic Technician
- Field Technician
- General Manager
- Install Technician
- Instrument & Control Technician
- System Technician

Energy Generation
Operations

- Milford
- 1–4 terms
- Associate of Applied Science, Diploma, Certificate
- $27.45/hour

Prepare for a career in one of the fastest-growing industries in the world. The increased need for power plant operators—who control the production of electricity, fluid fuels, and other types of power—makes this the right time to study a career in energy. At SCC, you can learn about the different processes of generating power with real-world training in our state-of-the-art control room simulator. When you graduate, you’ll be qualified to become an operator or technician in a power plant, bio-fuels production facility, wind farm, various energy production operations, and a wide range of processing facilities including fertilizer manufacturing, water and wastewater treatment plants, and breweries.

Recent graduates hired as:
- Operations Crew Leader
- Operations Helper
- Operator
- Sub Transmission & Distribution Operator
- Technician

Manufacturing
Engineering Technology

- Milford
- 4 terms
- Associate of Applied Science
- $20.15/hour

Do you like to make things? Do you like to make things better, faster, and less expensive? This program will allow you to be hands-on and still be a part of the design process. You will graduate with the necessary skills to work in a variety of manufacturing jobs—including designing, drafting, quality assurance, purchasing, and/or sales—and become a valued member of an engineering team.

Recent graduates hired as:
- CNC Machinist
- CNC Tube Bender
- Designer
- Designer/Drafter
- Machinist
- Manufacturing Engineer
- Process Engineer
- Production Engineer
- Technician
- Testing Technician
Manufacturing

Make a career out of making things happen. Join the ranks of our successful graduates working on electrical systems, power plants, manufacturing, welding, and more.

Nondestructive Testing Technology

- **Location**: Milford
- **Terms**: 4 terms
- **Degree**: Associate of Applied Science
- **Wage**: $21.10/hour

This is the only program of its kind in Nebraska and one of fewer than 10 in the nation. Nondestructive Testing Technology examines parts using manual and computerized inspection techniques without destroying them. Graduate with the ability to perform basic inspections on everything from bridges and buildings to satellite and space shuttle components. This in-demand skill set puts you in position to have several job opportunities and attractive starting wages.

**Recent graduates hired as:**
- Assistant Technician
- NDT Researcher and Developer
- NDT Inspector
- NDT Technician
- NDT Trainee
- Radiographer Assistant

Precision Machining and Automation Technology

- **Location**: Milford
- **Terms**: 2–4 terms
- **Degree**: Associate of Applied Science, Diploma
- **Wage**: $20.90/hour

Get ready for an exciting, fast-paced career in manufacturing, and become one of SCC's highly sought-after manufacturing graduates. Specialize in tool making, mold making, CNC machining, and manufacturing automation in our 15,000-square foot Eicher Technical Center in Milford, one of the largest precision-machining training facilities. You’ll have detailed instruction and access to use state-of-the-art, high-end CNC equipment such as VMC and CNC Lathes with live tooling and EDM technology with both Wire and Sinker. Haas, Okuma, Charmilles, and Makino are just some of the manufacturers that are represented. You’ll also learn to program and design components and assemblies through computer software like MasterCAM, SolidWorks, and AutoCAD. Throughout your studies, you'll design and build various projects relevant to the mold, die, and automated-equipment industry, too.

**Focus Areas**
- CNC and Automation
- Tool Maker

**Recent graduates hired as:**
- CNC Machinist
- CNC Operator
- CNC Technician
- Dosan Lathe Operator
- Injection Mold Set Up
- Machinist
- Mold Technician
- Tool Maker

Welding Technology

- **Location**: Lincoln (Campus)
- **Terms**: 1–4 terms
- **Degree**: Associate of Applied Science, Diploma, Certificate
- **Wage**: $23.45/hour

Are you detail oriented? Do you possess manual dexterity and physical strength? Do you have the ability to spot changes in how hot metal flows? If you answered yes, then this program is for you.

You’ll receive classroom instruction and extensive hands-on training about current welding practices and procedures, metallurgy, destructive and nondestructive testing, inspection, and the principles of fabrication and design. The program meets the American Welding Society, American Petroleum Institute, and American Society of Mechanical Engineers standards. Some of the welding processes utilized are shielded metal arc, gas metal arc, gas tungsten arc, flux cored arc, and submerged arc welding. Cutting processes include oxyfuel and plasma arc.

**Recent graduates hired as:**
- Carman
- Fabricator
- Ironworker
- Pipe Welder/Fitter
- Millwright
- Welder
Dental Assisting

Lincoln (Campus)  
Associate of Applied Science, Diploma  
2-4 terms  
$17.65/hour

Make someone smile! Dental assistants interact with patients and assist dentists in providing quality dental care. Dental assistants may also expose and process dental X-rays, prepare and sterilize instruments and equipment, take impressions of patients' teeth, polish (coronal) teeth, assist the dentist with various procedures, communicate with other healthcare professionals, and manage some office tasks. Dental assistants are classified as licensed professionals in the state of Nebraska.

Recent graduates hired as:  
- Certified Dental Assistant  
- Dental/Orthodontic Assistant

Medical Laboratory Technology

Lincoln (Campus)  
Associate of Applied Science  
4 terms  
$20.10/hour

Medical laboratory technicians are highly sought after! They work in all areas of the clinical laboratory, including blood banking, chemistry, hematology, immunology, and microbiology. MLTs use high-tech instrumentation and microscopes to aid physicians in the diagnosis and treatment of disease. If you like science and puzzles, this is the career for you!

Recent graduates hired as:  
- Medical Laboratory Technician

Polysomnographic Technology

100%-online option available  
Certificate  
2 terms  
$23.10/hour

Polysomnographic technologists are allied health professionals who work under the supervision of a licensed sleep physician to assist in the education, evaluation, treatment, and chronic care management of patients with sleep disorders. Sleep technologists are experts at fitting, titrating, and troubleshooting PAP devices, which are used to eliminate sleep-disordered breathing and improve quality of life. Sleep technologists obtain certification through board examination to acquire the credential of Registered Polysomnographic Technologist. Graduation from an associate degree program in a health-related program of study or a copy of a current Respiratory Technology or Registered Nurse license is required to be admitted to the program.

Recent graduates hired as:  
- Polysomnographic Technician

Dental/Orthodontic Assistant

Certified Dental Assistant

Recent graduates hired as:  
- Registered Nurse (RN)  
- RN, Float  
- RN, ICU  
- RN, Inpatient  
- RN, Ortho/Trauma  
- Team Leader  
- Treatment Nurse

Healthcare Services

Beatrice, Lincoln (Campus), Milford, Online  
Some courses online*  
Certificate  
$10.15/hour**

Careers in both healthcare support and technical jobs are expected to be the two fastest-growing groups during 2014–24. The Healthcare Services certificate provides you with entry-level, flexible skills to work in hospitals, medical facilities, and physicians’ offices. We provide coursework and training for this certificate through the healthcare programs on campus, in the Continuing Education division, the career academy dual-credit health pathways offered through The Career Academy and Southeast Nebraska Career Academy Partnership (SENCAP), and through our six Learning Centers in our 15-county service area.

Recent graduates hired as:  
- Certified Nursing Assistant  
- Medication Aide  
- Phlebotomist  
- EMT  
- EKG Technician  
- Personal Care Aide

Medical Assisting

Lincoln (Campus)  
Diploma  
2 terms  
$15.20/hour

Medical assistants perform clinical duties such as vital signs, laboratory tests, and electrocardiograms. They draw blood, prepare, and administer medication, and assist the physician. They may also perform administrative duties such as scheduling appointments, billing, coding, and handling insurance. Graduates work in offices and clinics of physicians, podiatrists, chiropractors, optometrists, and other specialties.

Recent graduates hired as:  
- Certified Medical Assistant  
- Optometry Technician

Paramedic

Lincoln (Campus), Online  
Associate of Applied Science  
Some courses online*  
$20.45/hour

Paramedics provide medical care by preventing or reducing mortality and morbidity due to illness and injury. As a patient advocate, paramedics seek to be proactive in affecting long-term healthcare by working in conjunction with other provider agencies, networks, and organizations. Traditional roles are in pre-hospital medicine with ambulance services, fire departments, flight programs, as well as within hospital critical access care areas.

Recent graduates hired as:  
- Emergency Medical Technician  
- Paramedic  
- Firefighter  
- Critical Care Paramedic

*Program offers web-based courses but requires supervised clinicals/practicums/labs at identified locations.

**Salary is based on the 10th percentile earnings for SCC’s 15-county area. (EMSI data; www.economicmodeling.com)

***This is an advanced certificate for those who already have an AAS in Surgical Technology. Salary is based on the 75th percentile earnings for SCC’s 15-county area for Surgical Technologists. (EMSI data; www.economicmodeling.com)
Radiologic Technology

Lincoln (Campus), Online

Associate of Applied Science

Some courses online*

$17.15/hour

4 terms

As a radiologic technologist, you’ll work with patients performing radiology exams at hospitals, clinics, outpatient imaging centers, and/or doctor’s offices to complete MRIs, X-rays, and CAT scans. Learn the safe use of radiation to produce digitally processed X-rays. Students will learn proper positioning and imaging for diagnostic purposes as well as the skills required to operate within the ethical, professional, and legal boundaries of the profession. Completing the program prepares you to take the American Registry of Radiologic Technologist Exam and apply for state licensure where you choose to work.

Recent graduates hired as:
- Radiologic Technologist
- Interventional Radiology
- X-ray Tech

Healthcare

Make an impact on countless lives as a healthcare provider—one of our state’s greatest labor needs.

Physician Assistant

Lincoln (Campus), Online

Diploma

Some courses online*

$20.95/hour

2 terms

This program will teach you the concepts, principles, skills, and attitudes needed to become a practical nurse who can work with patients throughout their lifespan. LPNs report directly to a registered nurse or physician and perform many procedures, including monitoring vital signs, administering medication, documenting work, and supervising unlicensed personnel.

Recent graduates hired as:
- Physical Therapist Assistant
- Traveling PTA

Surgical First Assist

Lincoln (Campus), Online

Certificate

$25.90/hour***

1–2 terms

As defined by the American College of Surgeons, the surgical first assistant provides aid in exposure, hemostasis, and other technical functions that will help the surgeon carry out a safe operation with optimal results for the patient. Their role will vary considerably with the surgical operation, specialty areas, and type of facility. Employment of surgical first assistants is projected to grow 31.2% from 2017-27, which is much faster than the average for all occupations according to the Bureau of Labor Statistics. Their main role is to work in the operating room of a hospital, surgery center, specialty center, doctor’s office, or labor and delivery.

Recent graduates hired as:
- Surgical First Assistant
- Clinical Preceptor
- Education Coordinator
- Private Scrub

Radiology Technology

Lincoln (Campus), Online

Associate of Applied Science

Some courses online*

$17.15/hour

4 terms

The field of respiratory care has a promising future, and SCC is here to make you a part of it. Our program prepares students to become practitioners who evaluate, treat, and care for patients with breathing or other cardiopulmonary disorders. As a respiratory therapist, you’ll learn to follow specific, well-defined respiratory care procedures under the direction of physicians.

Recent graduates hired as:
- Respiratory Therapist

Physical Therapist Assistant

Lincoln (Campus)

Associate of Applied Science

4 terms

Work side-by-side with physical therapists and help patients of all ages recover from medical problems or other health-related conditions limiting their ability to move. With this degree, you’ll study how to work with patients and what it takes for them to regain mobility and independence in their daily lives. Learn in our dedicated physical therapy assistant lab space as you explore strengthening muscles and dealing with more complex injuries and therapy, such as neurological issues requiring a higher level of treatment. When you graduate, you’ll be ready to take the national licensure exam and start a career of helping others live better, happier lives.

Recent graduates hired as:
- Physical Therapist Assistant
- Traveling PTA

Practical Nursing

Beatrice, Lincoln (Campus), Milford, Online

Diploma

Some courses online*

$17.50/hour

2 terms

This program will teach you the concepts, principles, skills, and attitudes needed to become a practical nurse who can work with patients throughout their lifespan. LPNs report directly to a registered nurse or physician and perform many procedures, including monitoring vital signs, administering medication, documenting work, and supervising unlicensed personnel.

Recent graduates hired as:
- Licensed Practical Nurse (LPN)
- LPN, Charge Nurse
- LPN, Quality Improvement
- LPN, Quality Management
- Charge Nurse
- Collection Charge Nurse

Pharmacy Technician

Lincoln (Campus), Online

Diploma

Some courses online*

$12.50/hour

2 terms

This is the only accredited Pharmacy Technician program in Nebraska! Learn what it takes to be successful in a variety of pharmacy settings, including working with customers, filling prescriptions, handling medications, ordering processes, inventory control, and completing insurance claims. Pharmacy technicians work alongside licensed pharmacists from hospitals to pharmacies. Your instructors are certified pharmacy technicians and pharmacists who will put you in position to pass the national certification exam upon graduation—our graduates have a 90% pass rate, 25% higher than the national average.

Recent graduates hired as:
- Pharmacy Technician

### Professional Truck Driver Training

- **Milford**
- **8 weeks**
- **Certificate**
- **$22.20/hour**

If you enjoy being on the road, why not get paid for it? There is a tremendous demand for skilled drivers all across the United States, and our Professional Truck Driver Training program prepares you for both intrastate and interstate commerce. This intensive truck driving course teaches you how to operate articulated vans and flatbeds. Test drive on city streets and rural roads, as well as two-lane and interstate highways. Graduates will obtain a Class A Commercial Driver’s License.

Recent graduates hired as:
- Over-The-Road Truck Driver
- Owner/Operator

### John Deere Tech

- **Milford**
- **4 terms**
- **Associate of Applied Science**
- **$17.60/hour**

This cooperative program between John Deere, John Deere dealers, and SCC trains you to become a technician in John Deere dealerships. Courses include fundamentals and safety, electrical and electronics, engine repair, fuel systems, tractor performance, heating and air conditioning, hydraulics, and powertrains. Students in the program are required to have a sponsoring John Deere dealer, and students are expected to continue employment at the dealership after graduation.

Recent graduates hired as:
- Agricultural Equipment Technician at a John Deere agricultural dealership
- Agricultural Management Solutions (AMS, GPS) at a John Deere dealership

### Deere Construction & Forestry Equipment Tech

- **Milford**
- **4 terms**
- **Associate of Applied Science**
- **$25.55/hour**

Learn how to service engines, power trains, hydraulic, electrical, and electronic systems as well as diagnose and repair air conditioning problems for Deere Construction & Forestry Equipment. This program is offered through a joint cooperation between SCC, John Deere, and Deere Construction & Forestry Equipment dealers. Students must secure a Deere Construction & Forestry Equipment dealership sponsor for off-campus training.

Recent graduates hired as:
- Construction Equipment Technician at a Deere Construction & Forestry equipment dealership

### General Motors Automotive Service Educational Program

- **Milford**
- **4 terms**
- **Associate of Applied Science**
- **$14.40/hour**

Study to start your career as an entry-level service technician in a General Motors (GM) dealership. The program is offered jointly by GM and SCC in cooperation with GM dealers. You will gain knowledge of the entire operation of the vehicle and receive advanced diagnostic training. Spend one year as a full-time student on the Milford Campus before beginning work in a GM dealership. Students must secure a General Motors dealer to sponsor them during training.

Recent graduates hired as:
- Automotive Technician at a GM dealership

### Motorcycle, ATV & Personal Watercraft Technology

- **Milford**
- **2 terms**
- **Diploma**
- **$14.25/hour**

Start an exciting career repairing high-performance recreational, adventure-seeking, multi-terrain rugged machines! On top of learning advanced diagnostics and troubleshooting procedures, you’ll explore how to fix engines, transmissions, suspension and steering, brakes, fuel systems, electrical/electronics, and maintenance and rideability issues. You can choose to specialize in one type of vehicle or aspect, such as vehicles from a specific manufacturer. This program prepares you for a career working in independent repair shops, dealerships, and specialty shops.

Recent graduates hired as:
- Mechanic
- Motorcycle Mechanic
- Technician

### MOPAR-Chrysler/Dodge/RAM/Jeep College Automotive Program

- **Milford**
- **4 terms**
- **Associate of Applied Science**
- **$15.55/hour**

Jointly offered by Chrysler, its dealers, and SCC, the MOPAR Career Automotive Program teaches you to become a highly skilled service technician or mechanic with Chrysler-certified factory training. You’ll spend time between the Milford Campus and a dealership, gaining experience with a mentor master technician. You’ll develop an analytical and technical approach to master bumper-to-bumper and electrical repairs, electronic diagnostics, and troubleshooting on the latest vehicles. Students are required to have a sponsoring Chrysler dealer prior to being admitted.

Recent graduates hired as:
- Automotive Technician at a Chrysler dealership
## Transportation

Locations Offered
- **B** = Beatrice Campus
- **L** = Lincoln Campus
- **M** = Milford Campus
- **Q** = Education Square location (downtown Lincoln)
- **O** = Entire program available online
- **O** = Program offers Web-based courses but requires supervised clinicals/practicums/labs at identified locations.

Starting Terms
- **FA** = Fall Semester (August-December)
- **SP** = Spring Semester (January-May)
- **SU** = Summer Term (May-August)
- **Call Admissions** = Call the Admissions Office for the next start term.

Awards Offered
- **Cert** = Certificate
- **Dip** = Diploma
- **A.A.** = Associate of Arts Degree
- **A.S.** = Associate of Science Degree
- **A.A.S.** = Associate of Applied Science Degree
- **A.O.S.** = Associate of Occupational Studies Degree

Please note: Online courses may require proctored exams. Any cost for the proctor is incurred at the student’s expense. Testing Centers located on each SCC campus will proctor SCC courses at no charge to the student. Length in terms is the time for a full-time student to complete the program.

Enroll at SCC in three simple steps:

- Complete an Application for Admission at southeast.edu/applynow or any SCC campus or Learning Center. There is no cost to apply.

- Submit your ACCUPLACER/ACT/Next Generation ACCUPLACER/SAT scores or an official transcript showing that you’ve completed college coursework in English and/or mathematics.

- Take the Next Generation ACCUPLACER test at one of our campuses or Learning Centers*. To schedule an appointment to take the assessment, call any of our campuses or Learning Centers.

- OR-

- Submit any additional documents and/or information required by your program of study. For information about special program requirements, contact the Admissions Office by emailing Admissions@southeast.edu or visit southeast.edu.

*Note: You’re welcome to take the Next Generation test as part of your campus visit. Let us know when you schedule your tour, and we’ll make it happen!

Like what you see? Check it out in person. We’re great on paper and in person. Book your visit at southeast.edu/visitSCC.

Equal Opportunity/NonDiscrimination Policy
- It is the policy of Southeast Community College to provide equal opportunity and nondiscrimination in all admission, attendance, and employment matters to all persons without regard to race, color, religion, sex, age, marital status, national origin, ethnicity, veteran status, sexual orientation, disability, or other factors prohibited by law or College policy. Inquiries concerning the application of Southeast Community College’s policies on equal opportunity and nondiscrimination should be directed to the Vice President for Access/Equity/Diversity, SCC Area Office, 301 S. 68th Street Place, Lincoln, NE 68510, 402-323-3412, FAX 402-323-3426, or jsoto@southeast.edu.

Declaración de política sobre equidad/antidiscriminación - La política publica de Southeast Community College es de proveer equidad, y prohibe discriminación, en todos asuntos referentes a la admisión, participación, y empleo contra toda persona por motivo de raza, color, religión, sexo, edad, estado civil, origen nacional, etnia, condición de veterano, orientación sexual, incapacidad, u otros factores prohibidos por ley o política del Colegio. Preguntas relacionadas a la política sobre equidad/antidiscriminación de Southeast Community College deben dirigirse a: Vice President for Access/Equity/Diversity, SCC Area Office, 301 S 68 Street Place, Lincoln, NE 68510, 402-323-3412, FAX 402-323-3420, o jsoto@southeast.edu.
