Associate of
Arts Degree

Associate of
Science Degree

BEATRICE AND LINCOLN CAMPUSES

www.southeast.edu/AcademicTransfer

SCC's program will enable you to obtain an Associate of Arts or Associate of Science degree to complete up to 60 semester hours or 90 quarter hours of general education credit, or to take specific courses that transfer to your intended major at a four-year institution. SCC advisors work with you to develop an academic plan appropriate for your transfer and career goals.

Check with an advisor to discuss if pursuing an A.A. or A.S. degree is a good fit for your academic and career goals.

Associate of Arts

The Associate of Arts degree is for students who plan to complete their first two years of a bachelor's degree in business, education, humanities, journalism, social science, or social work before transferring to a four-year college or university.

Credit Hours Required for Graduation:	90.0
Written Communications	9.0
Speech	4.5
Mathematics/Logic	4.5
Natural Science with Lab	10.5
Humanities	13.5
Social Sciences	18.0
Gender and Culture Studies	4.5
Electives	25.5

Associate of Science

The Associate of Science degree is for students who plan to complete their first two years of a bachelor's degree in agriculture, engineering, science, mathematics, or a pre-professional program (pre-vet, pre-dentistry, pre-med) before transferring to a four-year college or university.

Credit Hours Required for Graduation:	90.0
Written Communications	9.0
Speech	4.5
Mathematics/Logic	9.0
Natural Science with Lab	12.0
Humanities	4.5
Social Sciences	4.5
Gender and Culture Studies	4.5
Electives	42.0

A course may meet only one graduation requirement.

"I transferred from SCC to Nebraska Wesleyan. It was all really smooth. More credits transferred than I expected, which was nice.

I graduated from Beatrice High School and I didn't know what I wanted to do.

I took classes at the Beatrice and Lincoln campuses, and it worked out well for me. I met with Dr. Melanie Armstrong (associate director of admissions at NWU), and she gave me one thing at a time of what I needed to do to get transferred, which was helpful."

For SCC students transferring credits to another institution:

Contact an advisor from the institution to which you plan to transfer as soon as possible! Start today! Don't wait until the last minute to find out if you've taken the correct classes to meet general education requirements.

How transferring credit typically works:

- The receiving school always has final approval of how it will use your courses from previous colleges.
- Courses usually need a minimum grade of "C" or better to transfer the credits. For some majors, courses require a C+ or higher. Check with an advisor at your four-year institution for more information.
- Four-year schools require a minimum cumulative gradepoint average of a 2.0 ("C" average) to transfer. Many schools or majors require a higher GPA.
- Remember: Credits transfer, grades do not. Your GPA at any school is based on the classes you took at that institution.
- Your grades at SCC will be used to make an admissions decision for the school to which you plan to transfer. After you transfer, however, you will have credits on your transcripts but no GPA until you complete courses at your transfer institution.
- Most schools will accept approximately 60 semester hours or 90 quarter hours of transfer credits from a community college. The number of credits you are able to transfer does not include foundational classes (SCC course numbers less than 1000).
- Your transfer school will want an official transcript from SCC. Go to the Student Services Office on your campus to request a transcript or visit www.southeast.edu/requestatranscript.
- Apply to your transfer school at least 6-9 months before you wish to attend. Some schools have earlier deadlines.

When you contact your transfer institution, ask for:

- A list of general education courses required for your major.
- A list of admissions requirements for the college, including the minimum GPA you will need from SCC to get accepted for your major.
- Information on which SCC classes will transfer and how those classes apply to your baccalaureate degree.

Southeast Community College is fully accredited by the Higher Learning Commission of the North Central Association of Colleges. Credit is therefore acceptable by most colleges and universities in the United States. Even though most courses listed under the Academic Transfer area at SCC transfer to most colleges and universities, consult with an Academic Transfer advisor to be sure the courses taken are applicable to the baccalaureate degree and major being sought. It ultimately is the student's responsibility to check with the institution where credit is being transferred to ensure SCC's courses will meet that school's degree requirements.

To determine overall costs, students should plan a budget that includes room, meals, clothing, laundry, medical care, recreation and entertainment, transportation, insurance, etc.

Nebraska Resident tuition rate is \$61.50 per credit hour. Out-of-state tuition rate is \$75.50 per credit hour. Student fee is \$1.50 per credit hour. Graduation fee is \$25.

Housing is available at Beatrice and Milford campuses only. Quarterly tuition, books and fees are dependent upon classes taken each quarter.

Estimate based on minimum of 90 hours for Associate of Arts or Associate of Science degree at an average of 15 hours per quarter. Full-time students may take anywhere from 12 to 18 hours per quarter. Students with specific transfer plans may choose to take more or fewer total hours. Estimate does not include developmental courses. Book estimates based on price of new textbooks.
