Working with children can be extremely rewarding and satisfying. You can make a meaningful impact on the future through your work with young children. SCC's Early Childhood Education program provides you with the skills necessary to make it happen. Graduates work in at-home daycares, centers and preschools. SCC has its own childcare center on the Lincoln Campus.

Program overview

Students can enter every quarter, be a full- or part-time student and select from day, evening and online classes. Students may earn a Certificate in In-Home Child Care, (Professional Nanny/Child Care Home Provider) or a Diploma in Child Care Professional (early care and education in a group setting) or an Associate of Applied Science degree that includes teaching and administration or an Entrepreneurship focus.

The program is accredited by the National Association for the Education of Young Children. 1313 L St. NW, Suite 500, Washington, D.C. 20005, 202-232-8777, 800-424-2460, www.naeyc.org

ECED Online

The ECED online courses are designed to provide both theory and practical application of course content. Students are required to observe, implement and record their interactions with children in a variety of early childhood settings. Assignments with a requirement of interaction with children will be submitted through various formats within the online classroom. Practicum field experience will be coordinated with the ECED Practicum Coordinator to assure a meaningful experience in an approved setting.

Graduate Earnings

Recent graduates report an average starting wage of \$10.10 per hour.
