

RADIOLOGIC TECHNOLOGY

Associate of Applied Science Degree

LINCOLN CAMPUS AND WEB-BASED

www.southeast.edu/RadiologicTechnology

As a Medical Radiographer, you will work with patients performing radiology exams. Employment opportunities include hospitals, clinics, outpatient imaging centers, and doctor's offices. Students are taught the safe use of radiation and knowledge and skills required to operate within the ethical, professional and legal boundaries.

Program Overview:

- Students admitted in July for seven quarters of study
- Offered via Lincoln track (clinical performed in Lincoln; courses offered in classroom) or Distance track (clinical performed outside Lincoln area; courses Web-based)

This program is accredited by the Joint Review Committee on Education in Radiologic Technology, 20 North Wacker Drive, Suite 2850, Chicago, IL 60606, 312-704-5300, www.jrcert.org

Graduate Earnings

Recent graduates report an average starting wage of \$17.45 per hour.

Special Program Requirements:

1. All students must receive a cumulative grade point average of 2.5 in the general education courses and a cumulative grade point average of 2.75 in the science courses.
Science courses include anatomy, physiology and physics. General education courses include oral communication, written communication, math, social science, and related courses required by the program.
2. A current American Heart Association Healthcare Provider CPR card.
3. Submit completed Health Statement to the Health Sciences Division.
4. A criminal background check will be required of each student in this program. Based on the background check, a student may be prevented from taking certain courses, accessing certain laboratory experiences, or completing the program. A non-refundable fee of \$45 will be assessed for this CBC. (Please note: Misdemeanor or felony convictions may prevent a graduate from taking the national registry and acquiring a state license.)
5. Students admitted to a Health Sciences program at Southeast Community College requiring a clinical rotation at a contracted healthcare facility will take an initial drug and alcohol testing prior to the first clinical rotation.
6. A two-step skin test for tuberculosis and/or a chest X-ray are required. Flu immunization is required.
7. All RADT courses completed with a grade of 75% (C+) or higher to progress through the program. (If a student receives less than a C+ or 75% in any Radiography program course, the student is dismissed and may recycle into the program, within one year, if there is an opening in the program that term and they meet program recycle requirements.)
8. Students taking online courses are required to attend a radiology workshop at the SCC Lincoln Campus each year. Students are responsible for travel and lodging expenses.
9. Program offers Web-based courses but requires supervised clinicals/practicums/labs at identified locations.
