Milford
Gupta 4-6B

TRIO would like to announce Juan Palacios as the New Student Success Coach! Juan previously worked as the safety and security officer here at Milford, so some of you may recognize him. He will split his time between the Beatrice and Milford campuses. He is located in the TRIO office in Eicher Room 100Q
TUTORING & TRANSITIONS

New Academic Coach is Kelsey Moore. You may reach her at kmoore@southeast.edu

TRANSITIONS LAB: There is still time to enroll current and prospective students in Transitions who want to improve math and English placement or to prepare for classes. The semester break provides a great opportunity to study. College Advisors, Admissions Counselors, Testing Centers and Transitions Academic Coaches can assist students with registration.

TUTORING CENTER: We continue to offer Face-to-Face and Online tutoring options for students along with access to the Smarthinking-SCC Essay Center for uploading writing assignments. It is easy to make an appointment with a tutor with our new appointment program. Keep encouraging students to click on the “Request a Tutor” link in Canvas make appointments with tutors. Tutoring closes for the semester on Wednesday, December 16.
