STARTRAN TRANSIT IMPROVEMENTS SURVEY

StarTran is in the process of evaluating existing transit conditions in Lincoln and exploring ways to improve service. Preliminary scenarios have been developed to guide future improvements of StarTran service in the near-term and long-term and include options related to service of all SCC Lincoln locations. StarTran needs input from SCC students and staff. Please take a few minutes to complete the survey at: https://www.surveymonkey.com/r/StarTranTDPScenarios.

Note: you do NOT need to be a StarTran rider to complete the survey. They are seeking input from everyone.

Find refund and withdrawal dates for my classes?
The easiest way to find these dates is to check your class schedule on Web Advisor. Underneath the class title you will see two dates with the abbreviations “REF” and “WD”. These dates are your refund (REF) and your withdrawal (WD) dates.

Withdraw from a class section?
It depends on where we’re at in the term! Each class section has a final withdrawal date. These dates can be found by checking the “WD” (withdrawal date) on your class schedule on Web Advisor: Web Advisor for students > Search for Sections, then search the section in question. If you’re trying to drop a class prior to – or on – the withdrawal date for the class, you can do that on The Hub with no special permission. If it’s after the last day to withdraw from a class section, here are your steps:
1. Secure a drop/add form. You can find the form on The Hub, request one by email, phone or the Registration and Records office.
2. Fill out the form, and secure the permission (via signature or email) of the instructor of the class section plus the Academic Dean or Academic Associate Dean for the class section. Contact Registration if you need their contact information.
3. Submit the form to the Registration and Records Office by email, fax or the Registration and Records office.

Add A Second 8 Week Class for Fall 2021?
You have through the second day of term to register with ease, but day three and after will require additional approvals in order to register. For example, the second eight-week term begins on 10/20/2021, you will need approvals on 10/22/2021 and later.

Adding a class on Days 3, 4, or 5 of the term will require instructor permission and a completed Drop/Add form.
1. Secure a drop/add form. You can find the form on The Hub, request one by email or phone or stop by the Registration and Records office.
2. Fill out the form, and secure the permission (via signature or email) of the instructor of the class section plus the Academic Dean or Academic Associate Dean for the class section. Contact Registration if you need their contact information.
3. Submit the form to the Registration and Records Office by email, fax or the Registration and Records office.

Adding a class on Day 6 (and beyond) of the term will require instructor permission, Academic Dean or Academic Associate Dean permission, and a completed Drop/Add form. Submit to Registration and Records for processing.
1. Secure a drop/add form. You can find the form on The Hub, request one by email or phone or the Registration and Records office.
2. Fill out the form, and secure the permission (via signature or email) of the instructor of the class section plus the Academic Dean or Academic Associate Dean for the class section. Contact Registration if you need their contact information.
3. Submit the form and permissions to the Registration and Records Office by email, fax or the Registration and Records office.
