

**Learn about the ecology,
tourism economy and
conservation programs of
Costa Rica.**

In this program exclusively for first-generation college students, you will join students and faculty from across Nebraska as you explore Costa Rica. Led by expert local guides, you'll experience the hot springs of Arenal, Arenal Hanging Bridges, the forest canopy, business and tourism economy of Costa Rica and visit the Rescate Wildlife Rescue Center.

Cost: Approx. \$3500

Space is limited! Reserve your spot today.
