Mission Statement

The mission of Southeast Community College is to empower and transform the diverse learners and communities of southeast Nebraska through accessible lifelong educational opportunities. The College provides dynamic and responsive pathways to career and technical, academic transfer, and continuing education programs that contribute to personal, community, and workforce development.
Vision Statement

Southeast Community College seeks to transform and empower its diverse learners for fulfilling careers, life-long learning, and community and societal advancement. The College is committed to ongoing intellectual, financial, and strategic investment in its infrastructure and all phases of its operations. The College is dedicated to creating destinations and the highest quality learning climates through permanent, innovative, modern, virtually linked, sustainable, and collaborative facilities and green spaces. SCC will ensure its open-access mission is celebrated and realized through inclusivity, respect, and compassion toward the diverse views and ideas of its various student populations and constituents. The College will work collaboratively and courageously with its higher education partners, employers, and local and state officials to address Nebraska's skilled worker shortage and the need for everyone to have affordable access to the life changing benefits of higher education. SCC will utilize valid and dynamic data to respond to local and state-wide needs to strengthen the College's diverse communities and economies.

SCC strives to be a national leader in developing high-contact technical and academic experiences through personal and sincere relationships with engaged and invested faculty, staff, and administrators. These personal connections will be coupled with intensive learning opportunities through co-curricular involvement, research, volunteerism, and public service. SCC's commitment to student transformation intentionally encompasses the development of essential life skills including reflective thinking, resiliency, and emotional intelligence proficiency.
