ATTENTION PROSPECTIVE HEALTH STUDENT!

New Admission Requirements

Students applying to an Associate Degree Program:
As of July 1, 2014, the College catalog states that all students applying for admission into a Health Sciences program at Southeast Community College will be required to have a minimum cumulative grade-point average of 2.75 in science courses, and a minimum cumulative GPA of 2.5 in general education/related courses. These requirements will affect students who are submitting documents beginning Oct. 3, 2014, for the fall turn-in day.

Students applying to a Diploma Program:
After July 1, 2014, students will be required to have a minimum cumulative GPA of 2.5 to graduate from the program.

For more information contact the Admissions Office at 402-437-2600 or the Health Sciences Division at 402-437-2725.
